#### 4. How to throw away garbage

- You need to purchase food waste bags (yellow color, 2L), general waste bags (white color, 10L) at supermarkets. Put garbage into the waste bags and throw it away in the designated place (on the right side of the dorm building).
- General waste is all kind of garbage except for those which can be recycled.  
(Recyclable waste: papers, paper boxes, plastics, glass bottles, plastic bottles, tin cans, plastic bags for wrapping, etc.)
- Food waste should be dehydrated. Put it into the food waste bags and dump it into food waste can.
- Put recyclable trash in any kind of plastic bags or tie it with strings, then throw it away to the assigned place.
